Height: 100 cm
Weight: 35 kg
Age: 15
Team: The Restoration ally
First Appearance: Sonic the Hedgehog #1
Powers: Super Speed, Spin Dash, Homing Attack, Super Sonic Form

Sonic is the fastest thing alive! Hailing from parts unknown, he's constantly on the move looking for his next adventure.

He's driven by a personal code of justice, which sometimes gets him in trouble, but makes him the answer to evil anywhere and everywhere!

Sonic cares deeply for his many friends but never lingers too long in one place. They know he'll be cruising back into their lives in no time.

DR. EGGMAN

DR. EGGMAN

Height: 185 cm
Weight: 128 kg
Age: Unknown
Team: Eggman Empire
First Appearance: Sonic the Hedgehog #5
Powers: 300 IQ, Master Mechanic

Dr. Eggman is an evil genius out to conquer the world! To do so, he builds vast armies of robots, vehicles, and machines. These are usually powered by captured animals.

His greatest nemesis is Sonic. While he may hate the little blue hedgehog, he also respects his tenacity and courage. That doesn't mean he'll pull his punches, though!

He's usually assisted by his two robot minions; the snarky Orbot and the dim-witted Cubot.

WHISPER THE WOLF

Height: 100 cm
Weight: 40 kg
Age: 16
Team: The Restoration, Diamond Cutters
First Appearance: Sonic the Hedgehog #8
Powers: Trained Soldier and Scout, Variable Wispon

Whisper is a soldier of very few words, and those are softly spoken. She carries a unique Variable Wispon; its function changes with each Wisp that powers it.

She earned the nickname "Guardian Angel of the Battlefield" by rescuing numerous soldiers in the Eggman War.

She's joined by five Wisp companions: Blue Block, Cyan Laser, Green Hover, Orange Rocket, and Pink Spike.

JEWEL THE BEETLE

Height: 70 cm
Weight: 10 kg
Age: 16
Team: Mineral Museum
First Appearance: Sonic the Hedgehog Annual 2019
Powers: Flight, Cataloging

Jewel is Tangle's best friend since childhood. They grew up going on many adventures that mostly consisted of Jewel warning Tangle not to do something, her doing it anyway, and Jewel having to bail her out.

Jewel prefers her quiet life stocking and maintaining the Mineral Museum of Spiral Hill Village. She may not be a fighter, but she always has Tangle's back.

MIMIC

Height: 100 cm
Weight: 30 kg
Age: 32
Team: Eggman Empire, Diamond Cutters
First Appearance: Sonic: Tangle & Whisper #1
Powers: Shape-shifting, Trained Soldier

Mimic is a master of disguise and manipulation. He was an invaluable spy and infiltrator for the Diamond Cutters and helped them strike many blows to the Eggman Empire.

His goal wasn't freedom, though. Mimic only sought prestige and riches. When things started to look dire, he would always look out for himself first.

CLAIRE VOYANCE

Height: 70 cm
Weight: 15 kg
Age: 15
Team: Diamond Cutters
First Appearance: Sonic: Tangle & Whisper #3
Powers: Scrying, Trained Soldier

Claire was the Diamond Cutter's secret weapon. Her psychic power was scrying – the ability to scout ahead with her mind.

A howler monkey, she carried a custom Green Hover Wispon which she affectionately nicknamed "Mantis."

SLINGER THE OCELOT

Height: 110 cm
Weight: 40 kg
Age: 14
Team: Diamond Cutters
First Appearance: Sonic: Tangle & Whisper #3
Powers: Marksman, Trained Soldier

Slinger was the Diamond Cutter's best marksman. His twin Cyan Laser Wispons were fast and accurate. He was fond of doing juggling tricks, which made his teammates nervous.

Slinger wasn't very open with his past or motivations, being a mystery even to Mimic. But when things got dicey, he was always by his friends' sides, wispons blazing.
